

## Newsletter COVID-19 november 2021

*Update measures Bewegingscentrum Leeuwarden*

Dear member,

On Tuesday november 2, the Dutch government announced new corona measures in a press conference. With this newsletter we inform you about this.

### **CoronaCheck app (QR code)**

From Saturday November 6, access to gyms is only possible with a valid QR code.

BCL has long stood for accessible sports. Anyone who wants to, can exercise with us, with respect for everyone's background and beliefs. The fact that we now have to detract from this with the mandatory introduction of the CoronaCheck app feels uncomfortable to us.

However, we are forced to comply with this new rule. What does this mean in concrete terms?

### **Check on entry**

When you enter our facility, you always have to log in with your TGS key. In addition, from Saturday your QR code will be scanned by one of our employees at the front office. Unfortunately, we cannot grant you access without a valid code. The code will have to be shown at every single visit.

### **I don't have a valid code, now what?**

We fully understand if you are unable or unwilling to comply with the above. In that case, we offer you the following options:

#### 1. Online workout

We are happy to help you maintain your fitness with a personal @home workout. You can view and perform this workout using the Mywellness app. Do you want to make use of this? Send an email to [laurens@bewegingscentrumleeuwarden.nl](mailto:laurens@bewegingscentrumleeuwarden.nl)

For this option you didn't have to pay your full membership, but 20% of your normal payment.

#### 2. Freeze menberschip

A second option is to freeze your membership. In that case, the payment of your subscription fee will be temporarily stopped and you will not be able to use our (online) services. If you want to freeze your subscription, you can indicate this via [ledenadmin@bewegingscentrumleeuwarden.nl](mailto:ledenadmin@bewegingscentrumleeuwarden.nl) (Indicate: first and last name, date of birth + subject freeze subscription due to QR code rules)

The following conditions apply:

- These options are temporary in nature; as long as the government makes the use of the corona pass mandatory for our industry. As soon as this expires, your normal subscription will automatically start again.
- When subscription is frozen: the duration of your subscription does not change. Example: if the subscription is frozen for 2 months, the end date will be postponed by 2 months, so that you do complete your full subscription term.

## **Any questions?**

If you have a question regarding this newsletter that has not been mentioned, you can contact Feiko Broersma ([feiko@bewegingscentrumleeuwarden.nl](mailto:feiko@bewegingscentrumleeuwarden.nl)).
